hereby informed that the Hissa measurement operations will be commenced on or about the 2nd January 1935 in their Taluks. They are required to be present in their respective fields, when the Surveyor deputed for the purpose inspects their fields and supply to him particulars as regards ownership, title, boundaries and other information, failing which measurement work will be done from the data available on the spot.

If any hissadar thinks that Hissa or any other right of his is not recorded in the preliminary Register or omitted by the Surveyor, he should bring the fact to the notice of the Surveyor or Supervisor or Assistant Superintendent of Survey.

Landholders are hereby informed that they are not under any obligation to provide labour for Survey work, such as flag-holding and chain dragging, etc.

All such work will be got done by the Department through the agency of paid labour. The landholders are only to show their field boundaries and urge their rights generally.
